

SUPERHERO FUNDRAISER

We will be having a fundraiser on **Friday 11th May** to raise money for the **'Re-Cycle Bikes to Africa'**

Pupils (and teachers!) can dress up as their favourite superhero or decorate their bike/scooter 'superhero style' whilst raising money.

Our Superhero Fundraising Day is a great opportunity to celebrate the efforts of children who have taken part in the Big Pedal by cycling or scooting to school.

All we ask in return is a **£1 donation**

42% of African school children will leave school early, with about one in six leaving before they get to KS2.

Bicycles play an essential role in keeping children in education, especially as they get older and have to travel further afield for secondary school.

A bicycle can cut journey times by as much as 75% and means students can travel in safety to and from school.

With a bicycle, students have more time and energy to focus on their studies!

20km

It's not uncommon for children to face a 12 mile (20 km) round-trip to school. This often results in children being exhausted before class has even started.

All funds raised will be sent to Re-Cycle, we'd like to thank you for your support and look forward to a fun day as superheroes!

Many thanks

RotaKids @YBB_PupilVoice

*Please find attached a superhero mask for you to use if required.
