

Neath Port Talbot Library Membership Consent

To encourage children to read for pleasure more, we can share data with Neath Port Talbot Library Service for them to set up membership of Neath Port Talbot Libraries.

NPT Library Membership is free and allows children to:

- borrow books, music, DVDs and spoken word titles from all NPT libraries
- renew, reserve and view your details and loans online
- download ebooks, online magazines, and audiobooks for free
- use library computers and Wifi

In order to process memberships of children under the age of 16 years old, we need your consent. By consenting, you allow us to share information with the library and for them to set up a normal child membership under their normal terms and conditions.

Details of library services are available from their website.
