## Daily Check-in

To pupils in Years 7 to 11, parents and carers,

It is great to see so many of you submitting work and trying your best to work in these tough times, but we know that with device issues, internet issues, work problems and then just real life in lockdown to deal with, some of you might be struggling.

Today I asked our registration teachers to begin to set an additional task each day on Satchel One. This is a simple Daily Check-in which should take just a few minutes for each pupil to complete. The purpose is to ensure that every pupil has the opportunity to discuss any problem they may be having with school work or other important things in their lives.

We hope that pupils will chat to their registration teachers on the Satchel One app using the comments area on the task each day and confirm that things are going well, but where they aren't then our registration teachers will be there to help.

We know that you don't all have access to devices at the same time because you might be sharing or your internet may be limited, or you may need to help your brothers and sisters, so we don't mind what time of the day you are completing this. We hope that it isn't too much extra for you to do and you remember that your registration teacher is there to help you. 😊

Where pupils don't respond, we will try and get in touch by telephone to see if we can help. We hope you understand how difficult this is, so please use the app as much as you can to let Reg teachers know if you are having trouble or are doing OK.

If you still can't get on to Satchel One, then anyone can email the IT Team to get this reset. The email address for support is [ybbITSupport@npt.school](mailto:ybbITSupport@npt.school)

Keep safe and let us know how we can help.

Stewart JJ Davies

Deputy Headteacher.

R. Rees
