

Perimeter

Perimeter is around the outside of the shape!

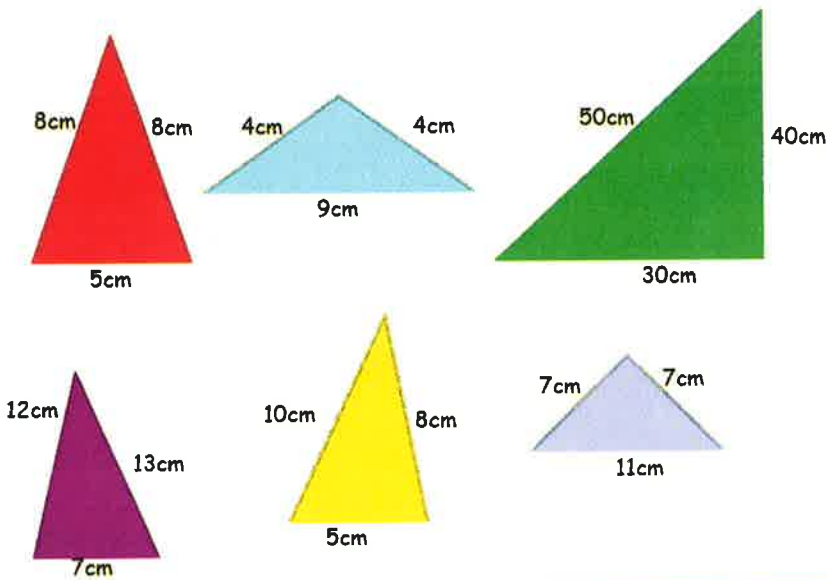

Green Level 4 - Find the perimeter of these shapes.

Remember units of measurement- cm/m/mm

For shapes with square grids just count the squares around the outside. Careful on corners!

Orange Level 4 - Find the perimeter of these triangles

Red- Level 4

In your books create shapes with a perimeter of 20cm.

In your books create shapes with a perimeter of 15cm.

In your books create shapes with a perimeter of 10cm.

In your books create shapes with a perimeter of 12cm.

Orange Level 4 - Find the perimeter of these regular shapes. Regular means all sides are the same.
