Mr Big
Is a big help

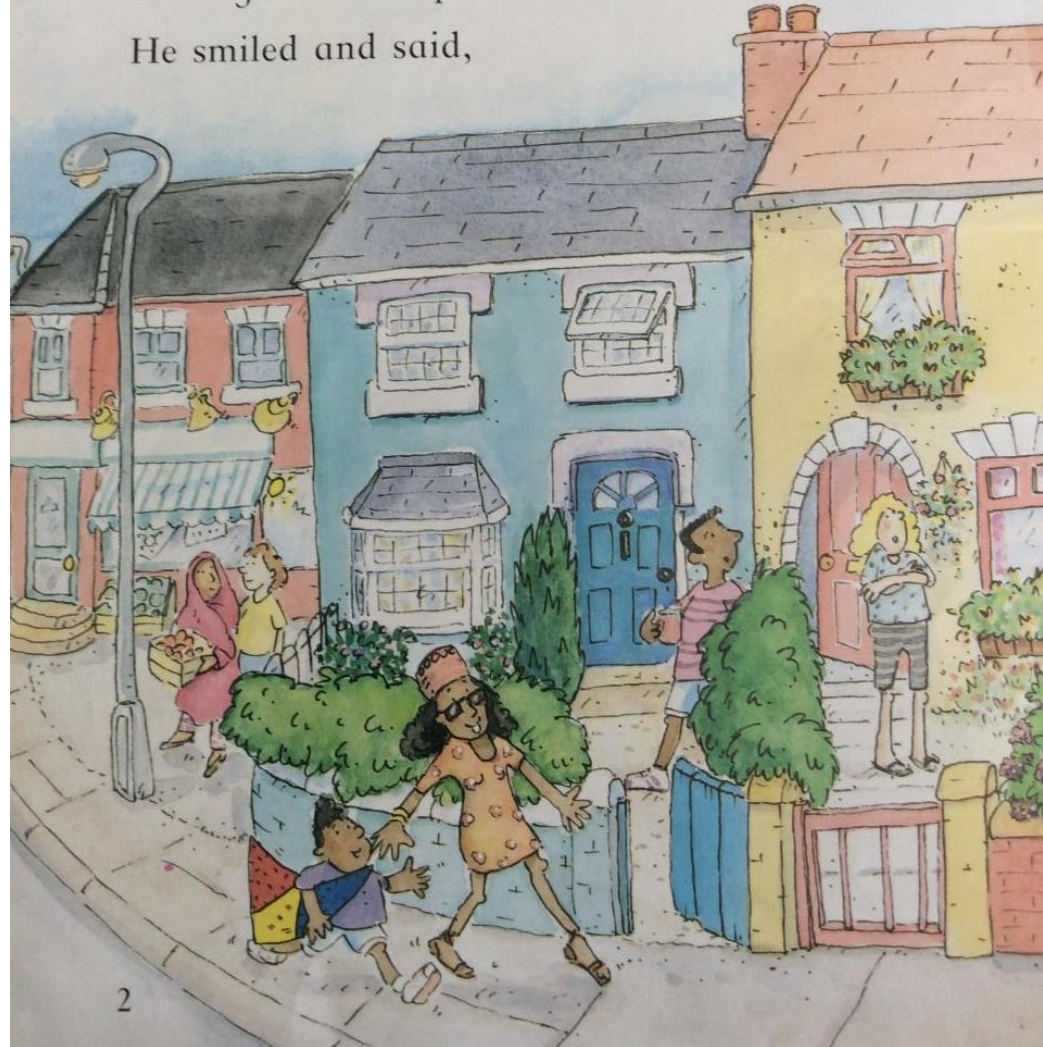

Mr Big was a giant.

He was a very, very big giant.

He lived in a big house with big windows and
a big door.

One day Mr Big went for a walk.

Mr Big walked down the road.
He saw a little girl. She was sad because
her kitten was stuck high up on the roof.
Mr Big reached up to the kitten.
He smiled and said,

I will help you.

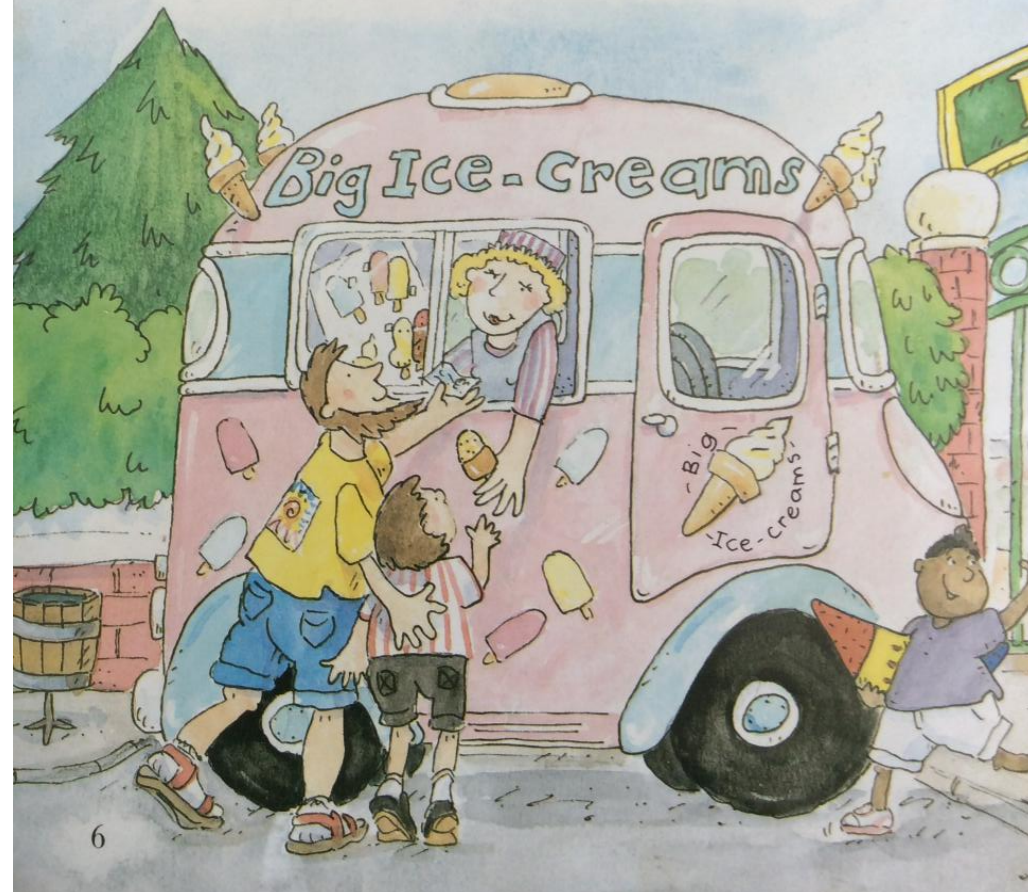

Mr Big walked on down the road.
He saw a little boy. The boy was sad because
his kite was stuck high up in a tree.
Mr Big reached up to the kite.
He smiled and said,

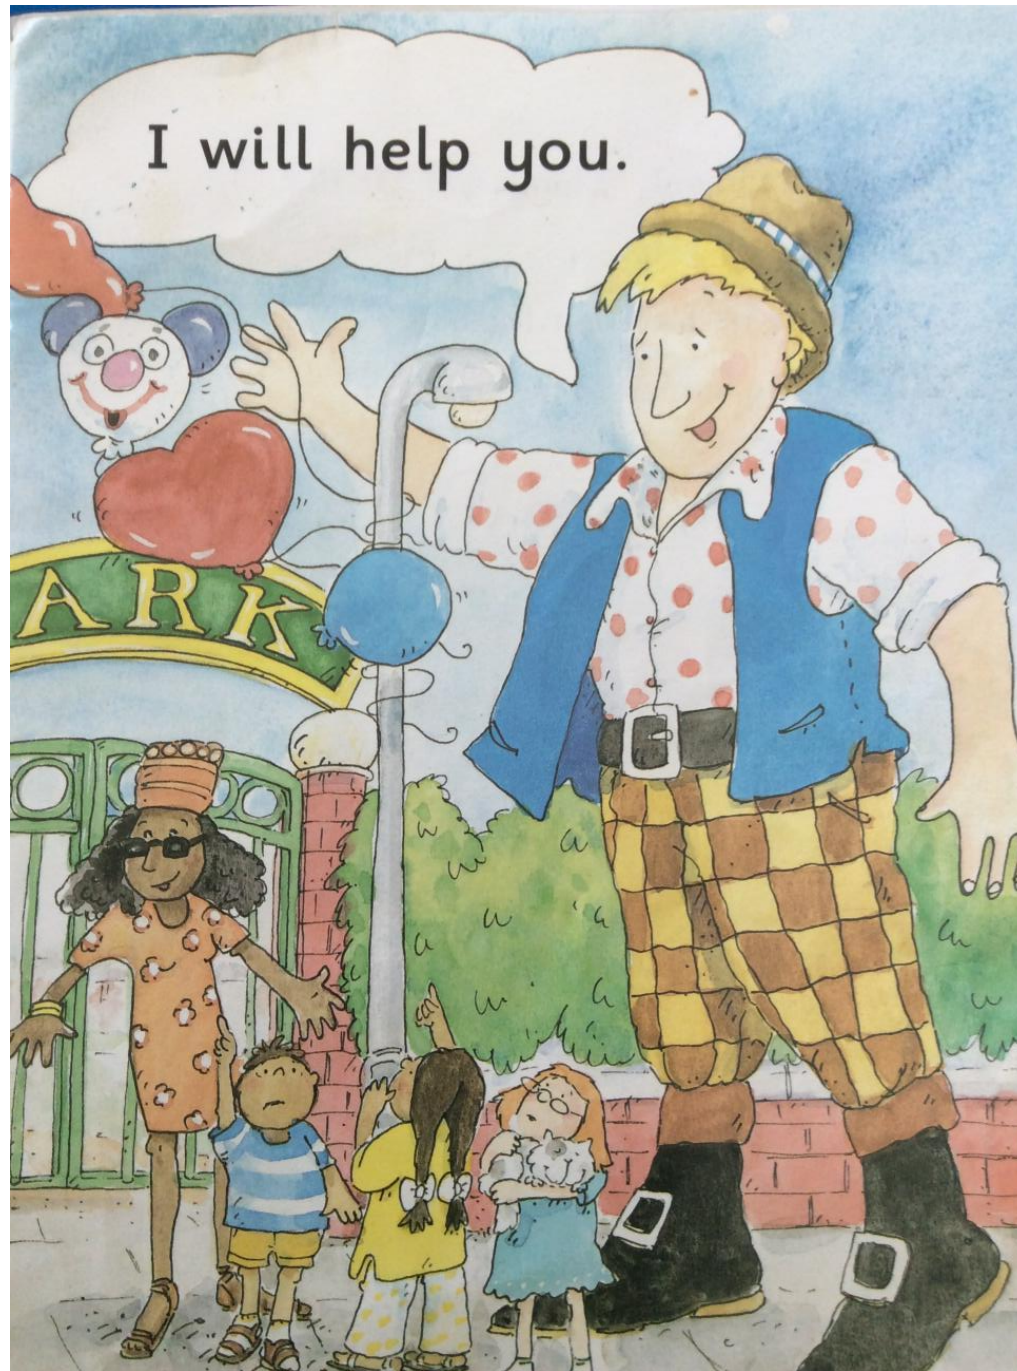

I will help you.

Mr Big walked on down the road.
He saw some children. They were sad because
all their balloons were stuck on a lamp-post.
Mr Big reached up to the balloons.
He smiled and said,

I will help you.

The children said, 'Thank you Mr Big.

You are a big help.

Look what we have got for you.'

And Mr Big said,

Yum, yum
