

## Newsletter 15: Tuesday 26<sup>th</sup> March 2019

### **News: Our school in the community.**

Last week **Foundation Phase** pupils had fun experimenting with **breadmaking**. Many thanks to Mrs Oakley who visited school to give the children a bread-making demonstration. Then the children experimented with making bread in different ways to observe the effects of time and temperature.

**Y3 and Y4** pupils have been making models of **pyramids** and had the opportunity to share their wonderful **Lego WeDo films** with visiting children from Radnor Valley school (the films created with Arts Council Wales artist, Jim).

**Y5 and Y6** pupils created really effective **clay models of Neolithic dwellings and artefacts** that they had researched through their topic.
