

School Mission Statement

At Knighton Church in Wales Primary School, we are committed to creating an environment where we promote and celebrate an excitement for learning. We are proud of our Welsh heritage and are developing our skills to make us active learners, eco-friendly, healthy and an asset to our community.

We aim to build self-esteem, confidence, fairness, pride, tolerance and respect, where every achievement is celebrated and every gracious error forgiven. This is underpinned by a spiritual foundation involving close links with our Church. As a Church school we are members of the diocese of Swansea and Brecon, which is part of the Church of Wales. Our school is run and supported by Christian values.

We work with parents, carers and the whole community in an atmosphere of mutual trust, to equip our children with the skills and knowledge that they will need to play an active role in the wider, global community.

We ask that everyone supports us in our work.
