News:

Our school in the community.

We're on the second day of cycle training for Y6 and everyone seems to be doing well. If you see the children out and about, please remember that they are still learning to use the road safely.

Reverend Kevin Dare and Hannah from the library attended yesterday's assembly.

'Rev Kev' told us about the plans for this year's advent window event. Even more shops will be involved than last time! As with last year, all the children have been invited to enter a competition for the logo design with an image related to Advent or Christmas. Entry forms are available from the school office and should be returned to the Tower House Gallery by Saturday 27th October.

Hannah came to award all the children who completed the summer reading challenge with medals and a certificate. She told us that more children than ever before got involved with the competition; brilliant news. The Community Centre and our school worked particularly well together last term and it looks as though the effort is really paying off!

Goodbye Mr Brown. During the summer holidays Mr Brown decided to leave his job here to drive his bus full-time. We will all miss him, although he does still sometimes drive the school bus. I'm sure you'd like to join us in saying a big 'thank you' for all his hard work, and 'good luck' for the future.

Sparkling school Congratulations to Mrs George and her cleaning team for another brilliant report!
