News:

Our school in the community.

Reception had an interesting visit to Knighton Museum this week. Mrs Llewellyn Roberts showed the children lots of old and new toys including her very own doll that she played with as a little girl! Many thanks to all the parents/carers/grandparents who walked with us.

Y1/2 pupils composed pieces of music to represent the different toys in the story 'Lost in the Toy Museum'. One group composed slow, stompy music to represent Pumpie the Elephant. Other groups thought about how their toy would move.

Y3/4 pupils used their reading and maths skills to investigate theme park rides, to prepare for making their own! Any items of junk material to help with this would be very much appreciated.

Y5/6 pupils have been getting stuck into some very challenging maths this week, investigating the properties of shapes. They have also been preparing to write an imagined adventure aboard 'The Mimosa' in 1865, from the point of view of one of the first Welsh settlers in Patagonia.
