Knighton Church in Wales Primary School Privacy Notice – Issued May 2018

In accordance with General Data Protection Regulation (GDPR) which comes into force on 25 May 2018, this notice sets out what our school, the local authority (Powys County Council) and the Welsh Government does with the education related information that it receives- about Children and Young People.

The information in this notice will be kept under review to incorporate any further changes communicated by the Information Commissioner's Office.

1. Background

Knighton Primary School collects information about children and their parents or legal guardians when children enrol at the school. The school also collects information at other key times during the school year and may receive information from other schools or early years providers when children and young people transfer.

Knighton Primary School processes the information it collects to administer the education it provides to children and young people. For example:

- the provision of educational services to individuals;
- monitoring and reporting on pupils'/children's educational progress;
- the provision of welfare, pastoral care and health services;
- the giving of support and guidance to children and young people, their parents and legal guardians;
- the organisation of educational events and trips;
- the planning and management of the school.

Powys County Council collects information about children and young people and their parents or legal guardians when children and young people apply for admission to the school or early years provider. The local authority also has access to data collected by the school or early years provider for the same reasons listed above and for the following additional purposes:

- to monitor, challenge and provide support to schools and early years providers to improve performance and set credible targets
- to support schools and early years providers in the services delivered to children and young people
- to inform and support services provided by the Children and Young People's Partnership (CYPP) and the Powys Youth Service to young people and their families
- to carry out research and inform policy decisions including funding for schools
- to monitor the quality and scope of data held by schools and early years providers and provide support to ensure the data held about children and young people is accurate and up-to-date

Upon receipt of the information from your school the Local Authority (Powys County Council) becomes the Data Controller.

As data controllers, the school and Powys County Council use the information received for the purposes listed above to enable them to carry out data processing necessary for the performance of a task carried out in the public interest and in the exercise of official authority.

In addition, the **Welsh Government** receives information on pupils directly from schools normally as part of statutory data collections which consists of the following:

- Pupil Level Annual School Census (PLASC)
- Educated other than at school (EOTAS) pupil level collection

- National data collection (NDC)
- Attendance collection
- Welsh National Tests (WNT) data collection

In addition to the data collected as part of PLASC, the Welsh Government and Local Authorities also receive information regarding National Curriculum assessments, public examination results, and attendance data at individual pupil level which comes from Schools and /or Awarding Bodies (e.g. WJEC).

Upon receipt of the information from your school or early years provider and the Local Authority, the Welsh Government becomes the data controller.

2. What information is held by Knighton Church in Wales Primary School and Powys County Council?

The sort of personal information that will be held includes:

- personal details such as name, address, date of birth, child/young person identifiers and contact details for parents and guardians;
