### **News: our school in the community.**

**Hwyaid Bach (Reception)** are on a hunt around Knighton this afternoon, looking for man-made and natural objects.

**Eryr and Gwennol (Y1/2)** have been inspired by the artist Andy Goldsworthy and are creating portraits from materials they have found outside on the school grounds. Other outdoor learning this week has included making 2D shapes from natural materials.

**Jac-y-Do (Y3)** tell me they have enjoyed 'everything' this week! I can't wait to see the 'paparazzi collages' they are creating.

**Cnoc-y-Coed (Y4)** are so excited about their Mantle of the Expert topic this term! This week have been creating characters for their own film. Also, using the animation skills they learned with Jim last year, they are designing back-drops and creating 3D props.

**Barud Coch and Aderyn Du (Y5/6)** are writing poems inspired by pirates. They have also been reviewing their understanding, and addressing misconceptions, about electricity.

**Y5 pupils have begun leading our new 'Playful Play' sessions.** If you see the children rushing around the yard with wonderful ribbon and huge cardboard tubes, you'll know what they are doing!

Photos of our children **reading at home** have been coming in to the office including lovely shots with pets and younger siblings. We'd still like lots more please! Hand them in at the office so they can go up on our wall.

### **Information**

Reminder: **Tomorrow (Friday at 9.10am)** we are having our termly **music assembly**. Please come along to listen to our wonderful pupil performers perform. **The Recorder Club** is especially excited about playing a waltz they have been learning.

On **Monday 11<sup>th</sup> November Clwb CiT, a new Welsh course for parents/carers** will be starting here at school. These weekly sessions start at 9am and end at 10.30am. Come to office when you drop you children off in the school playground and have fun learning Welsh that you can use to support your child's learning!

We will be raising money for **Children in Need** again this year, as suggested by our school councils. If your child would like to come to school dressed in something spotty, or in non-uniform, we will be collecting donations (the children have suggested 50p.)

Unfortunately we have **headlice** in school again. Please can everyone check their child/ren's hair and treat asap if necessary.

**Change of menu:** two days have been swapped next week- Wednesday 13<sup>th</sup> is now a roast dinner, Thursday 14<sup>th</sup> is now cottage pie.

**Individual/family photos:** All orders placed online need to be done by Thursday 14<sup>th</sup> November for free home delivery OR if you are sending your orders in to the office, we need to receive these by Wednesday 13<sup>th</sup> November. Orders placed after these deadlines will incur delivery charges.

**Christmas Card/Mug Orders:** these have arrived and will be given out next week. Can we please ask that all mugs are collected by an adult. Thanks.
