

DATE	MAIN ACTIVITY (ALL GROUPS)	TABLES ACTIVITY (ALL GROUPS)
<p>MONDAY 4TH MAY- WEDNESDAY 6TH MAY MATHS</p>	<p>MANTLE MATHS CHALLENGE! YOU HAVE BEEN INVITED ON AN EXPEDITION TO THE AMAZON BY STEVE BACKSHALL!</p> <p>As part of your commission you will need to:-</p> <ul style="list-style-type: none"> • Work out the cost of the trip, to include:- flights from a UK airport to the Andes mountains in Peru (don't forget a return journey, but this will be from Brazil), any equipment you may need to buy/hire (tent, wetsuits, canoes, cameras etc), food and drink supplies for 3 weeks, hiring a guide to support you with your expedition, insurance • You need to work out a route along the Amazon river and make a timetable of when you will stop at each place, what you will do and for how long- be detailed and use 24hr clock in your timetable e.g. 06:00 Leave camp, 07.45 stop to film wildlife in Venezuela etc. You are starting your journey in Peru and will finish it in Brazil • You will need to make a table of how much your luggage items weigh 	<p>X9</p> <p>X12</p> <p>TT ROCKSTARS- online resource</p>  <p>The map, titled 'AMAZON RIVER Location Map', shows the Amazon River basin across South America. It highlights the Amazon River and its tributaries: Orinoco, Negro, Purus, Madeira, Tapajós, and Xingú. Countries shown include Venezuela (with Caracas), Colombia (with Bogotá), Ecuador (with Quito), Peru (with Lima), Guyana (with Georgetown), Suriname (with Paramaribo), and French Guiana (FR) (with Cayenne). Major mountain peaks are marked: Cotopaxi (6310 m) and Chimborazo (6310 m) in Ecuador, and Nevado Huascarán (6768 m) in Peru. The map also shows the Caribbean Sea to the north and the North Atlantic Ocean to the east. A legend identifies symbols for Country Boundary, River, Lake, Country Capital, and Mountain Peak. A small inset map shows the location of the Amazon basin within South America. Copyright information at the bottom reads: 'Map Not to Scale. Copyright © 2015 www.mapsofworld.com (Updated on 3rd Jan 2015)'.</p>
 		

(in kgs) e.g. clothing, boots, camera, tent etc.

- Work out the mileage you will have covered from your starting point in the UK to when you complete your expedition in Brazil
- Find out how long the Amazon river is and how many countries it flows through!
- Find 3 recipes that will be easy to make on your trip (you will have limited items and only a camping fire to cook food). See if you can make, or help to make one of these dishes for your family!

THURSDAY 7th MAY MATHS

Problems of the day White Rose Hub resource sheet attached- you do not have to complete them all but try to challenge yourself and do as many as you can. The answers will be put on the website on FRIDAY for you to self-assess your work!

HIT THE BUTTON- online resource

FRIDAY 8th MAY MATHS
(MAY BANK HOLIDAY)

A MATHS GAME OF YOUR CHOICE!

TABLES BINGO- PLAY WITH FAMILY MEMBERS AND USE THE TIMES TABLES THAT YOU NEED TO PRACTISE!
So, you could use multiples of 7. Each choose 4 multiples of 7 and write them down. You will need one family member to

		be the bingo caller- you could get them to write all of the multiples of 7 on pieces of paper and then pop them in a bag/cup to be pulled out one at a time. Decide on prizes for the winners! (a sweet, a chocolate etc)
