

IAITH PLANNING FOR THE WEEK BEGINNING 11/01/2021

Last week you collected a lot of research about dinosaurs, and specifically, their bones! Now it is time to turn your notes into a fact-file!

You can create your fact-file on Word (through your Hwb account), or you can use paper and pens, drawing your own illustrations. It's entirely up to you!

Before you begin writing your fact-file please watch the video about creating fact-files to help you to remember what needs to be included.

<https://www.youtube.com/watch?v=HmJDpG-oMqw>

There are some example templates attached that should help you to decide on the style of fact-file you would like.

Try to be as creative as you can and include as many facts as you can!

We look forward to receiving your work!
