

LITERACY PLAN FOR W/B 25/01/21

You are going to be writing your own 'body poem' this week!

Monday- Read through the poems attached and jot down ideas that you like/could use in your own poem. What will your focus be? The skeleton, the muscles, organs, bones?

Once you have decided make a note of key words and information that you will need to include. You may need to research your choice e.g. functions of the heart, kidneys etc.

Draw pictures where appropriate.

Tuesday- Similes attachment to complete
