### Cluster Poetry Festival

Well done to all the children from the school who took part in the Cluster Poetry Festival this week at Southwood Hall. The pupils from Reception and KS1 were all delighted to come away from the event on Tuesday morning with gold certificates, for both their large group performances. Daisy and Tylah also gained a gold certificate for their paired performance. In the afternoon, pupils from Year 3 and 4 performed their large group poems, both receiving silver medals. A silver medal was also awarded to Grace and Genevieve from 4HT.

On Wednesday, it was the turn of pupils from Year 5 and 6, who gained a silver certificate for their large performance of "The Kracken". Phoebe and Martha were awarded silver for their paired poetry performance, while Lily and Scarlett gained gold for their rendition of their own written poem "Fix our World".

We would like to thank all the pupils involved, for all their efforts in learning the poems (and actions) and then performing them so confidently at the Festival. We are proud of you all!

### French connections

Our Year 3 and 4 pupils are in the middle of their creative curriculum topic "Vive La France". We have been trying to make links with French schools and have now established two school links: with a school in Athis-Mons, a suburb of Paris, and with a school in Rambouillet (the town which is twinned with Great Yarmouth).

We shall be exchanging information between our Year 3 and 4 classes and children in those schools, and shall hopefully develop friendships and partnerships over the next few weeks.

**4HT's Cake Sale raised a superb £80.22! Well done!**

### ATTENDANCE

Our target school attendance figure is  
97%

## Library visits

Our termly library visits are continuing over the Spring Term. This week, Ms Margerum's class spent quality time in the library choosing books and reading stories about wolves (linked to their literacy work).

## Premier Sport sessions

Premier Sport ran two Fun-Trition activity sessions for Reception and Year 3 pupils this week. The focus was on maintaining a healthy, active life style and thinking about all the different things we can do to stay fit and healthy. Here are the thoughts of some of the pupils involved:

*'It was really good because we were learning how to be healthy and how not to be healthy'* Kady

*'White bread is not as healthy as brown bread'* Lily

*'We rolled a ball to answer a question'* Maisie

*'We stood and swapped places'* Ellie

*'We were learning what is good to eat and what's not good to eat'* Foxe

## KS2 Tuck shop guidance

We reminded all pupils this week of what they can and cannot do when buying snacks from the EATs team at morning play. They can only buy one item of food per day, and one drink. All the items are priced 20p, to make it easier for everyone. Each child should buy their own items and queue up for themselves, not buying for other children. The maximum any child can spend on any one day is 40p.

All EATs staff are aware of these guidelines and are working together with us to make morning breaks go as smoothly as possible.

## Upcoming Cluster events

We have a busy cluster schedule of events over the course of the next half term.

Activities taking place in the next half term (for selected pupils) are:
