## Safer Internet Day

Every February, our school celebrates Safer Internet Day to encourage the safe and positive use of technology for children and young people all over the world. This year's theme is *Together for a better internet and we'd love parents to get involved too.*

Our school is using **Be Internet Legends** - a free educational programme from Google and the online safety experts at Parent Zone - to teach our students important internet safety skills through fun classroom activities.

Your involvement at home can help reinforce these key messages and help your child become more confident online. Visit the [Be Internet Legends](http://BeInternetLegends) website to try some fun family activities to help your child learn how to make the internet a safer and kinder place for everyone at [g.co/BeInternetLegends/Parents](http://g.co/BeInternetLegends/Parents).

You can also help your child become a confident explorer of the online world with Interland, a free, exciting online game which reinforces the Internet Legends Code at [g.co/Interland](http://g.co/Interland).

## Non-Uniform Day Friday 15 February

In return for coming into school in non-uniform, please could your child bring in a donation of a quality grocery item that will be used to make up hampers for the **FOSA FAMILY BINGO** prizes.

So, next time you go to the supermarket pop something extra into your trolley, we especially need wine and chocolates! Any food items need to be in date until at least the end of April to allow time for the prize winners to be able to enjoy them.

Also, don't forget to organise a group of parent friends or family members and come along to the Bingo on the **Saturday 16 March** at Acle Social Club, 7pm, children welcome. There will be a raffle and refreshments available on the night. Please remember all profits are spent on YOUR children.  
Many thanks **FOSA**.

**Consent forms** Copy forms were sent out Monday for those children who haven't returned a photo/video form. Please can you complete and return these by the end of next week. This is part of our data protection compliance.

### *Safety at the end of the school day*

Please remember that it is parents' responsibility to look after their children at the end of the school day. Pupils should not go on the woodland tower at the end of the day for their own safety. Thanks for your co-operation in this matter.

### Grammar Corner

(from Oxford Owl)

This week's word: **Determiner**

What is it? A **determiner** goes in front of a noun and its adjectives to help to tell you which person or thing the sentence is about, or how much or how many of them there are.

#### Examples:

Beyond **the** glass was **an** amazing panorama. **A** model spacecraft was waiting for take-off.

**One** morning **the** postman came down Elm Road. In **his** bag were **two** letters.

## Poetry Festival

Pupils who are attending the festival to perform a poem have been working hard to reach a high standard.

Please do encourage them to learn all their words ready for their performance on either Tuesday or Wednesday next week.

There is some limited seating for parents to watch the pupils taking part, but this event is not suitable for toddlers and pre-school children.

### School uniform

Please can you check your child's uniform regularly to ensure they haven't accidentally picked up someone else's. Named items are going missing and it would really help all parents if items can be returned to the correct owner asap.

Lost property bins are in the KS2 girls changing room and outside the KS1 toilets. Please make sure ALL items are named.

**Roast Pork** – The kitchen are in the process of sourcing a better quality supplier for the pork for roast lunches, in the meantime the roast will either be chicken or beef instead of the pork.
