

5 April 2019

Headteacher: Mr Paul Henery

Celebrating and learning about Easter at school

Pupils have been learning about Easter through assemblies, including our wonderful Open the Book team, who came in and re-enacted the last supper in a whole school assembly. Children have also been learning about the Christian meaning of Easter through RE lessons. As you can see from these photos, Year 2 experienced their own "last supper", thinking about the significance of the bread and wine shared by Jesus with his disciples. They have also designed and made their own Easter gardens.

Next half term our assemblies theme will be "Wisdom".

School Games – Netball

We took a team of netballers to play in the School Games competition at UEA on Tuesday. Mrs Taylor was very impressed with the way the team played, winning 7 matches and losing just 4 against some very strong teams from large Norwich schools. Eventually they finished 4th overall and gained a lot of experience from taking part.

ATTENDANCE

Our target school attendance figure is 97%
Our current figure is...

95.91%

Easter Egg hunts

Our Year 6 sports leaders organised two successful and very enjoyable Easter egg hunts in the school grounds. All the children from KS1 and 2 took part, hunting down the foam "eggs" we had made together during the week, including the 4 "golden eggs". Children hunted for their team colours' eggs and at the end of the hunt we counted up the totals of all the eggs (each had a different value). For KS2, the green team won the most points, whilst for KS1 the red team just beat the rest of the teams, by a couple of points.

Congratulations to the eight children who found the golden eggs and well done to the sports leaders and everyone else for taking part in good spirit. Everyone was given a small chocolate egg as a reward today!

Hunting for all the eggs, and Sports Leaders counting up the total points with KS1 children.

AWARDS ASSEMBLY

We gave out merit certificates to the following pupils: Martha (RW), Zach (1L), Evalyn (2T), Sonny (3M), Austin (4B), Olivia (5HT) and Chloe (6LO). Our KS1 progress cup was awarded to Gracie from Year 2, whilst the KS2 cup was presented to Cerys from Year 4.

On road cycling – Year 5

Fifteen children in Year 5 have been taking part in the 'On road' cycling proficiency training, with the Road Safety Team, over the last two days. They have progressed really well and have all received certificates for their participation.

Brancaster & How Hill kit lists

The final letters are available from the school website under: Parents – School trips. These letters have the kit lists within them in case the paper copies go astray over the Easter holidays

We wish you all a lovely Easter break. We look forward to seeing the children back at school on Tuesday 23 April.
