Cross curricular project

We have really enjoyed being able to see the children, from youngest to oldest, working together in their colour groups on our 'Mustard Seed' project this week, which is based on the vision and Christian values of the school. All the groups have worked on creative projects which have started small, at the start of the week, and have built and developed as the week has gone on. It is exciting to see the ways in which the children have worked together in small groups and have been so supportive of one another to complete their creative cross curricular projects, as you can see from these pictures.

Football tournament

Both our football teams took part in the Cluster football competition at Lingwood on Monday afternoon.

The Year 3/4 played 5 games, winning all 5 scoring 15 goals and conceding 0. Special mention must go to William Munford who netted 12 goals, but all 8 in the squad really contributed to the tournament victory.

This is the second year in a row the year 3/4 team has won the cluster event and are still yet to concede a single goal!

The Year 5/6 team played 6 games, winning 2, drawing 1 and losing 3.

This year's competition was very hard with all schools putting out very strong teams. The squad of 10 played with a great spirit and were very unlucky to lose a couple of very tight games. They played for each other and never gave up always playing with smiles on their faces.

All players were a real credit to the school.

ATTENDANCE

Our target school attendance figure is 97%

Our current figure to date is...

95.98%

Year 5 – Broads and Marshes trip to Burgh Castle / Boat Building College

The Year 5 children enjoyed their trip on Monday. First, they had a quick stop at Burgh Castle to look at the landscape. Then it was over to the Boat Training College at Oulton Broad where they looked at different types of wooden boats and saw all the machinery. They are building a replica of the Chet boat, which is a good example of an Anglo Saxon vessel, found in the river Chet. The children had a go at using chisels to carve their names / initials in wood, as the Anglo Saxons would have done.

Logan: I enjoyed roving – copper nails through two planks with a rove over the point and hammering.

Chloe: The forge was very hot - 800 degrees. The metal was red/orange and was bent using a hammer.

Cicely: I liked carving my name in wood using very sharp chisels.

Lexi: The lofting area was huge and we got to design our own wooden boat.

Crucial Crew trip

Year 6 pupils had their “Crucial Crew” trip on Wednesday morning this week. Along with many other pupils from across the county, they learnt valuable safety skills and advice at interactive workshops thanks to this project, which is led by Norfolk Fire & Rescue Service.

Crucial Crew is a multi-agency project which has been running in Norfolk for more than a decade and welcomes year six (aged 10-11) pupils from schools across the county. It helps children stay safe at home, in the community and online and sessions are fun and interactive.

It is hoped that all pupils will benefit from the advice it offers which has in some cases been used later on to help prevent death and injury. As you can see, our children found the experience very helpful and interesting:

Alfie: I really enjoyed the activity where you were trapped in a room which was being filled with fake ‘smoke’ and we had to put a blanket under the door to stop the fumes getting in. Then the fire engine came and we had to scream to get help. We were then ‘rescued’ and the fireman told us to go out the front door as that was the safest way out.

I learned how to protect myself when online and when there are dangerous substances or materials in the environment, such as leaking batteries, carbon monoxide from car fumes, tar and nail varnish remover.

Finley: I really liked it when we learnt about gases such as carbon monoxide that won’t cause fire or explosions but can injure or kill humans. It was fun as he made everyone answer a question and made us remember the number you ring if you smell a toxic gas; the number was 0800 111999.

FOSA

Ice Cream Fridays will return after the half term break! On the junior playground after school

AWARDS
ASSEMBLY

We gave out merit certificates to the following pupils in our merit assembly today: Callan (RW), Phoebe (1L), Ethan (2T), Lily-Rose (3M), Naomi (4B), Morgan (5HT) and Martha (6LO).

School non-uniform day

A huge **THANK YOU** from **FOSA** for all the lovely BBQ & Fete donations received today for the non-uniform day. If you forgot to bring something in today, we will be accepting items after half term also. Raffle tickets are being sent home today so please get selling!

DATES FOR THE SUMMER TERM

Half term break – Monday 27 May to Friday 31 May

JUNE

| | |
|--------------|--|
| Monday 3 | Return to school Defenders club |
| Wednesday 5 | Acle Academy tea party Year 6, 4-6pm at Acle Academy |
| Thursday 6 | Tri-golf Sports Partnership competition (selected Y1/2/3/4 children) Sailing club |
| Monday 10 | Phonics testing week 5HT Cake Sale |
| Wednesday 12 | Technical rehearsal at the Open Venue song & dance festival |
| Thursday 13 | Open Venue song and dance festival (7pm performance) Sailing club |
| Friday 14 | 'Norfolk Welcomes' day |
| Monday 17 | Year 3/4 Cluster cricket competition Defenders club |
