## Values for life

Our value for this half term, which we will be discussing both in class and explored further in assemblies, is Perseverance.

Our value for this term is.....

# Perseverance

*No one succeeds without effort... Those who succeed owe their success to perseverance.*

*It does not matter how slowly you go as long as you do not stop.*

What do you think causes some people to give up and stop trying?  
How could you encourage someone to persevere with their goal?

Who is a role model of perseverance for you? What have they done that demonstrates perseverance?

In what ways can you demonstrate perseverance?  
How do your expectations about yourself affect what you will accomplish?

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.  
*Galatians 6:9*

**PERSEVERANCE**  
 DETERMINED  
 DEDICATED  
 DISCIPLINED  
 RESOLVED  
 RESILIENT  
 STEADFAST  
 PERSISTENT  
 COMMITTED

**NEVER QUIT.**  
 YOU STUMBLE BACK  
 WHAT HAPPENED YESTERDAY NO LONGER MATTERS.  
 TODAY'S ANOTHER DAY  
 SO get back on track and MOVE CLOSER  
 TO your dreams & goals. YOU CAN DO IT.

## Art work at Burlingham

Pupils from Year 5 and 6 both worked on creating two of the posts which are now forming the 'colour wheel' structure on the Burlingham Woods area around the 500 year old oak tree. The colour wheel in itself comprises of a number of colourful posts, each individually designed and decorated by different community groups. **Do pop down and see it yourselves, maybe as part of this Sunday's Open Gardens at Burlingham. Click on the link below for more information about this event.**

## Cluster Song and Dance Festival

This annual event will be taking place next Thursday evening at the Open Venue, Norwich, and will be a great opportunity for our pupils to perform their songs and dance. This year's theme is 'The Environment' and our performances will be based on the theme of Water. The children who are involved have received a final reminder sheet letting them know what to wear and when to arrive for the concert. Don't forget to collect your tickets!

## FOSA Update

Our weekly 'Ice-Cream Friday' sale starts today and it's going to be a warm one so bring some coins to buy an ice-cream or lolly. See you on the junior playground at 3.30pm.

Don't forget it's only 3 weeks to the Summer Fete & BBQ so please sell as many raffle tickets as you can and return the money & stubbs to the office asap. Also parents from each year group are needed to run their class stall, see the sheet outside your child's classroom to sign up – which class will raise the most money? Please remember all profits are spent on your children! **Thanks FOSA**

**It's 5HT's Cake Sale on Monday – 3.30pm in the classroom. 5HT get baking! Everyone else bring some money to buy the lovely cakes ☺**

## ATTENDANCE

Our target school attendance figure is 97%  
Our current figure is...

**96.05%**

**Warmer weather** Now the sun has made an appearance please can you make sure that your child comes to school with a water bottle (see through/with sports top). We encourage children to sip water throughout the day to prevent dehydration. At lunchtime, water is always available for pupils to drink, either in the school hall, with their lunch, or outside (water fountains). Please can your child also bring in a hat/cap to wear when outside and if sun is forecast can you please apply suncream before they come to school, if you are also sending your child in with suncream, it is really helpful if it is the sort that is easy to apply. Many thanks.

## Broads and Marshes project

We were very pleased to have Sara Edwards come in to school this week to give expert artistic advice about how to paint marshland landscapes, using techniques such as creating a wash of colour and using vanishing points and horizon lines. The Year 5 pupils have been working hard to complete their pictures which were based on sketches and photographs taken on their recent Broads Experience day. Here are two examples of the art work produced so far, from Brandon and Stanley.

## TRI-GOLF TOURNAMENT

On Thursday 40 Year 1, 2, 3 and 4 children from the school took part in the School Sports Tri-Golf qualifying competition at Blofield Family Golf Centre.

The children were grouped in four teams of 10, named after some famous golfers for inspiration: Tigers, Rories, Faldos and Charlie Hulls. Each team played 8 different games based on putting and chipping, having only a couple of minutes' practice before having 5 minutes to score as many points as possible.

All players performed very well and were a real credit to themselves and the school. From the golf skills on view we may be seeing some of the children on the European Golf Tour very soon! Many thanks to Mr Pickett and Mrs Taylor for selecting and supervising the teams for this competition.
