

27 September 2019

Headteacher: Mr Paul Henery

Our Year 5 and 6 pupils came to school dressed in Victorian costume on Thursday for their Victorian themed trip to Gressenhall, which they thoroughly enjoyed.

Pupils learned about different aspects of Victorian life by helping on the farm, cooking and washing clothes whilst at the same time trying to solve the mystery of the missing candlesticks!

Thank you to all the parents who supported the children and helped them look the part for the day. It really helped them to get into character and immerse themselves in such a brilliant activity day. The children met a range of Victorian characters who were in role throughout the day, such as a washer lady, school headmaster, housekeeper, servant and a workhouse employee.

"The trip was fun because it felt like we were actually Victorian children"
- Toby and Brandon.

The pupils were a real credit to themselves and to the school and will have gained a much better understanding of this historical period by going on this educational trip.

"We liked the laundry activity because we learnt how to do the washing in Victorian time, with the mangle, dolly and posser. The lady taught us what a copper was. It was a copper bowl that heated up water over a fire." – Imogen and Cicely

6LO's Cake Sale raised an amazing £82.20
Well done!

ATTENDANCE

Our target school attendance figure
is 97%

Our current figure is... **97.9%**

Safe parking

Please do not leave your car unattended in the school car park at the front of the building in the mornings – parents should only be accessing the car park to drop off pupils (unless the disability car park space is needed); if you need to enter the school building or playground with your child, please park outside the school grounds. We continue to encourage parents to use the community car park by the Recreation Centre as much as possible and walk the short distance from there to school.

Non-Uniform Day Friday 11 October

In return for coming into school in non-uniform, please could your child bring in a donation of a quality grocery item that will be used to make up hampers for the **FOSA FAMILY BINGO** prizes. So, next time you go to the supermarket pop something extra into your trolley, we especially need wine and chocolates! Any food items need to be in date until at least the end of December to allow time for the prize winners to be able to enjoy them.

Also, don't forget to organise a group of parent friends or family members and come along to the Bingo in November (date to be confirmed). There will be a raffle and refreshments available on the night. Please remember all profits are spent on YOUR children. Many thanks **FOSA**.

FOSA Science Fun Day!

FOSA have their science fun day on Saturday 19th October. They will be running two 1.5hr sessions at £5 per session, per child. Please look out for a letter to book your child's place which will be sent home on Monday. Limited spaces available. We still need:

- Jars *with* lids (jam jar size)
- Milk bottle lids (just lids)
- Water bottles (1 ½ or 2 litre)

Water Mills and Marshes project

After last year's project, we have continued our links with Natasha Howard from the WMM team. Year 5 pupils found out about local and global conservation issues with Natasha earlier this week, and two pupils from that year group have been chosen to go to Cantley Marshes / Strumpshaw Fen to see how conservation works there, including how they are trying to protect a local plant, the water parsnip! They will tell us more about their efforts next week, after their trip.

FOSA pamper & craft evening next Friday

Only £3 a ticket and there's a gin bar and lots of things to do and see! To buy tickets please see the following parents: Elaine Munford (RW), Grace Abel (Yr 1/4/5), Shelli Denton (Yr 2/4/5), Marie Lake (Yr 3) or Louise Roberts (Yr 6), for tickets. **Also FOSA now have a Facebook page, where you can find out more about all the events that are taking place.**

Dates for your diary

Mon 30 Sept	Defenders Club
Tue 1 Oct	KS2 Cross country practice
Wed 2 Oct	Individual and school sibling photographs
	Mr Pickett's multi-sports club
Thu 3 Oct	KS1 Cross country practice
