New Reception pupils

It has been very encouraging to see how well the new Reception pupils have adapted to life at school, exploring their indoor and outdoor environment, getting used to staying for lunch and meeting the rest of the staff and pupils as they have looked around the school with their teacher and teaching assistants. Next week all our Reception pupils will be with us the whole day.

Mrs Welch will be holding her information meeting for parents on Thursday straight after school, in the Reception classroom. The children themselves will be able to watch a short film in Mrs Tovell's room whilst the meeting is going ahead.

Mrs Kingston

At the end of last term, Mrs Kingston, one of our team of dedicated teaching assistants, decided that she would retire from her post at school. Mrs Kingston came in to our whole school assembly on Wednesday to receive her cards and presents from staff and pupils and to say an official "goodbye", although we shall continue to see her in school as one of the Rainbows leaders and possibly as a relief MSA on occasional Fridays. We would like to say a very big thank you to Margaret for all the support and care she has given to our pupils over the years and wish her all the very best in her retirement.

Transition day – Year 6

Year 6 had their first transition day at Acle Academy today, based on the theme of 'Pirates'. These days are designed to give Year 6 pupils from the cluster the chance to work alongside each other on a range of activities, helping them experience life in High School. From our experience over the last two years, our pupils have enjoyed having increased opportunities to attend the High School and have, in turn, made that transition smoothly.
