## Show and Tell assemblies

We hope that you have enjoyed coming in to school over the last few weeks to see what the children have been learning at school this term.

Show and Tell assemblies can take different forms, from in class performances and showcases from the children to a more “exhibition” type approach. Last week our Year 1 and 2 pupils sang some songs and showed their parents what they had been learning, from their “Round the World” adventures, whilst this week the Year 5 and 6 pupils put on a “Great Exhibition” in the hall, demonstrating what they had found out about different countries which were part of the British Empire in Victorian days.

We hope that you can see, from your visits, just how much the children have benefited from their thematic studies, as well as the extra-curricular field trips and day visits they have been on this term (Romans visit – Time and Tide museum, Victorian themed visit – Gressenhall and the Holt Hall residential).

**Thanks to all of you who came to the Show and Tells** – the pupils really appreciated being able to show what they had been learning and doing!

## Sportshall athletics competition

A number of children from Year 3 and 4 competed this week against teams from the Norwich area as part of the Schools Games sportshall athletics competition. The pupils were split into a number of mini teams, to try to gain as many points as possible in a variety of sports hall athletics events, such as relay running, speed bounce, standing jump and throwing. We were very pleased with the whole team's performance but we are still waiting to find out our final position. (This is a qualifying event for the School Games finals later in the year.)

### Car parking at school

Please do not park on the grass area just outside the school gates. This is not a designated car park space; there is plenty of room to park at the Recreation Centre.

If you do need to use the school car park in the mornings, it is just for dropping off. Cars should never be left in the car park unattended. Thanks for your co-operation in this matter.

The FOSA Bingo raised **approx £500** which is amazing! Many thanks to everyone for bringing in hamper items and supporting us on the night

Please note a change of time for the Carol Service on Tuesday 17 December to 6.30pm. Further information to follow in due course.

### ATTENDANCE

Our target school attendance figure is 97%  
Our current figure is... **96.51%**

### Uniform reminder

We would like to remind you that, as part of our uniform policy, children are not allowed to wear nail varnish or rings.
