Sports promotion

As you can see from this picture, we have now completely filled our Aldi Sports Poster with the stickers which you have all been bringing in for the last few weeks. The children are delighted that we have filled our poster, which will now be sent off so that we can secure some new sports kit for the school (and be in with a chance of getting a cash prize!). Many thanks to the sports leaders for co-ordinating this in school and to all of you for collecting the stickers.

AWARDS ASSEMBLY

We gave out merit certificates to the following pupils in our merit assembly today:
