France topic - Year 3 and 4

Year 3 and 4 have spent a morning role-playing a day trip to Paris as part of our 'France' topic. We travelled by Eurostar to Paris and then had spent time 'sightseeing'. We visited the Eiffel Tower, the Louvre and a café. We bought a postcard as a souvenir and then wrote about our trip.

"First we went to the Eiffel Tower and it was so high and it was very windy at the top. We went to the Louvre and saw the Mona Lisa and wherever you walk she looks at you." - Ryan.

"We had a very brilliant time in Paris today. We went to the extraordinary Eiffel tower. It's huge!!!! Then we went to the fresh bread café. They do yummy croissants. It's very fancy." - Harry

Adapted Games

We took a small group of selected pupils, from Year 2 to 6, to the Adapted Games sports event which took place at UEA, Norwich, this week. The children had the chance to try out four different games, alongside pupils from the Norwich East area: tennis, table tennis, frisbee throwing and (their favourite game) goal ball. This involved trying to score goals whilst blindfolded, relying on your hearing to work out where the ball was (which had a bell in it).

We were so impressed with the behaviour and attitude of the children who took part in this event and very pleased that they enjoyed the experience so much:

"I loved the blindfold game with the jingly ball – I was really good at it" - Pheobe (Yr 3)

"The tennis was good. I hit lots of balls over the net" - Joshua (Yr 3)

"All of the games were fun. I especially enjoyed table tennis because I was able to play a game with the teacher" - Cerys (Yr 5)

RE – Judaism

In RE, Year 3 and 4 have been learning about Judaism. On Wednesday, we were visited by Todd and Marsha Parker from Discovery Judaism who taught us all about what it is like to be Jewish and how easy it is to keep their promises to God. We got to explore lots of objects that are special in Judaism and even learnt some Hebrew! We thoroughly enjoyed the experience!

Surya: "Shalom means peace and is used to greet people."

George: "Shabbat is their day of rest and is on a Saturday."

Florence: "They wear a kippah on their head."

Lily- Grace: "I enjoyed learning new words and learning what the Shabbat table was for."
