Virtual Big Sing

Today Miss Bode and the key worker pupils enjoyed the Big Sing event in the school hall. We hope that others of you were also able to take part in this great event from home. Singing is a great way to relax, unwind and have fun together and it has been good to learn songs on different days when the key worker pupils have been in school over the last few weeks.

NEW HALL PROJECTOR

We are very pleased that we have received a special donation from the Acle Religious Education fund to enable us to put in a fixed projector and interactive board in the school hall, which will enhance our collective worship sessions from September and enable us to make better use of video technology in PE lessons. Many thanks to Reverend Greenland for supporting this project.

Year 6 transition to High School

Acle Academy staff have been in to school to talk to our Year 6 pupils about issues relating to them going up to the High School in September. To help with transition, as there can be no face to face visits at this time, the school have created a very helpful section on their school website for Year 6 pupils and parents.

The link can be accessed below, and will also be put on our school home page.
