Headteacher: Mrs Rebecca Clarke

Class visions

The children have been thinking about their class vision this week and exploring our motto 'Learn more, think more, be more'. They have been considering what behaviour can help them succeed in living and learning by our motto.

Some of the ideas they have thought are: enjoy challenges, always work hard, set a good example, ask questions, be compassionate, trustworthy and kind, and don't give up!

In Key Stage 1 the children have been producing some lovely drawings of the mustard tree.

Next week

Pick up and drop offs seem to be working well and we would like to thank parents for your help in keeping this running smoothly and safely. Reception class start full time next week, which will mean more adults and children at the front of the school. Please can you continue to keep to the time slots allocated to keep the number of people onsite as low as possible. If you only have Reception or KS1 children please do not use the back gate for entering or leaving. Thank you.

Queries

If you need to speak to a teacher please either contact the school office by phone or email, or email your child's class email.

Class pages on the website

Teachers are continuing to update each of the class website pages weekly, including detailing any homework set. Please continue to refer to these for information.

Curriculum newsletters

Each year groups curriculum newsletters will be issued next week and uploaded to each class page on the website.
