

School Newsletter – Monday 24th May 2021

This week is the last week before our half-term holiday break. The children will be returning to school on Monday 7th of June for the last half term of the academic year. It’s a very important time when we will be continuing to help the children catch up, but also completing transition activities to get the children ready to move to the their new year group. It’s important that your child is in school as often as they can be so that they don’t miss out on important learning opportunities.

Can I remind parents that, while thankfully numbers of cases of COVID 19 are at a low around the area, if your child does have a test and it comes back positive, you need to scan the QR code at the bottom of this newsletter or on the school website at <https://melin-primary-school.j2bloggy.com/returning-to-school/> to let us know that you have had a positive result. It’s important that you do this and not email the school email account as only this method is monitored out of school hours.

We’ve had donations of copies of the ‘Cedric the Seed’ book from Morrisons which we’ll be putting into our Key Stage Two classes for children to enjoy which give a message of hope, friendship and fun.

We have had a number of complaints from parents and members of the community about parking outside the Foundation Phase site. People parking on the yellow lines and zigzags put the safety of the children at risk. We have requested that the mobile parking patrol vehicle comes to check that parking is as it should be and it will lead to fines being issued, but the thought of one of our children being hurt will, I’m sure, worry everyone more.

T. Richards
Headteacher

Date	Event
26/5/21	School Nurse in to talk to Y5 and Y6 as per letter
31/5 to 4/6/21	Half Term
