

School Newsletter – Monday 14th of June 2021

This week is National Diabetes week and, as we've been recognised as providing good diabetes care in school, we'd like to help raise awareness of diabetes and how it can be managed. Please visit the Diabetes UK website for more information throughout the week at <https://www.diabetes.org.uk>

Mrs. Burge is busy organising the school sports days which will take place within the week beginning Monday 28th of June. Each class will be allocated a day to complete the sports activities within their bubble and we'll add up the points to see which of our four house colours will win the competition. Your child has been given a house colour (it's the same colour as their water bottle lid) and they are able to wear a coloured T-shirt of that colour to school on the day to take part in the events. If you don't know which colour house your child is in, please speak to the class teacher. Unfortunately, we aren't going to be able to have parents and grandparents joining us on the day but I hope that the children will still enjoy. Mrs. Burge will be letting the classes know which day they have been allocated this week and we'll put the information into the newsletter next Monday.

It's been lovely to have such fine weather over the last few days and I hope that it will continue. Can I ask that you apply sunscreen to your child before they come to school and that they bring a hat if possible to wear in the yard. There are lots of naturally shaded areas on both sites, but it's best that they wear sunscreen too. We'll be making sure that children drink water through the day to remain hydrated.

Next week our Y6 children have cycle safety sessions. They should bring and lock their bikes in the bike shelter on the Key Stage Two site. Don't forget a helmet too if you've got one!

T. Richards
Headteacher

Date	Event
16/6/21	Year 5 Fire Service virtual visit
21/6/21	Cycle Safety sessions for Year 6 pupils
25/6/21	Year 2 pupils to visit Key Stage Two site
9/7/21	Annual Reports to parents released with details of next class teacher
12 and 13/7/21	Children move to new class to meet their new teachers
14 and 15/7/21	School closed for Inset days
