

School Newsletter – Monday 21st of June 2021

From next Monday, weather permitting, the children will be taking part in their sports day activities. We may need to have some flexibility with the days and times that they complete the activities so it would be best if parents could send their child’s PE kit in to school with their coloured t-shirt on Monday in a bag with their name on. The children can then change into their kit ready to take part. If you don’t know what colour house your child is in, please ask their class teacher or ring the school office.

On Friday, our Year 2 children will be coming down to the Key Stage Two site with their teacher to spend a bit of time in the school building and getting to know their way around. It’s a big move for the children in September, but we know that the time they spend down here really helps them to settle.

I’ve been disappointed to receive complaints again from other parents within the school about children being dropped off in dangerous places around both the Foundation Phase site and the Key Stage Two site. Can I please ask parents again to make sure that they are keeping their own and other children safe by parking responsibly and not taking risks.

Finally, I’d like to congratulate Jack and Bradley from our Key Stage Two (Junior) site on their starring role in the NPTCVS video about volunteering in the local Melin community with the FAN (Friends and Neighbours) Alliance. It was lovely to see pupils from our school being praised for the volunteering work that they have undertaken to deliver food parcels and litter pick in the area to help everyone. Thank you both, we’re all really proud of you!

T. Richards
Headteacher

Date	Event
25/6/21	Year 2 pupils to visit Key Stage Two site
9/7/21	Annual Reports to parents released with details of next class teacher
12 and 13/7/21	Children move to new class to meet their new teachers
14 and 15/7/21	School closed for Inset days
16/7/21	Last day of term

How to let us know if you have a positive Covid-19 case

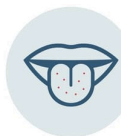

HIGH TEMPERATURE

NEW PERSISTENT COUGH

LOSS OF SMELL

LOSS OF TASTE

- Staff member or pupil got symptoms of COVID-19? Don’t attend the school. Stay home and self-isolate, arrange a COVID-19 test and notify the school.
- Family/household member got symptoms of COVID-19? Don’t attend the school. Stay home and self isolate.
- If your child’s test comes back positive, please let us know by scanning this QR code or visiting the school website’s ‘returning to school’ page
