

# School Newsletter – Monday 7th of June 2021

Welcome back to the last half term of the academic year. It's hard to believe how quickly it has gone, particularly in the difficult situations that we've found ourselves as a community. I know that the children will enjoy their learning over the next few weeks before they get to enjoy their summer break.

We have had a large number of parents show interest in the Summer Holiday Enrichment Programme (SHEP) for the first three weeks of the summer holiday. These places will be offered, as said previously, on a first come, first served basis. However, if your child is not going to attend then please do not accept the place as we have a waiting list of people who would want to take up the places. Letters will be sent out this week confirming a place, or that your child has been placed on the waiting list.

We will be looking to arrange COVID-safe 'sports day' type events for our children in school within their class bubbles, however parents will not be able to attend the sites to watch unfortunately as we have to continue to only welcome essential visitors to site and keep the children and adults as safe as possible. I understand that this will be frustrating, however it is done with the intention of reducing the risk of any community transmission of the virus. There will be more details in next week's newsletter about when the events will take place for each class as they will have different days to complete the challenges so that bubbles are kept secure.

I'd like to thank PC Harris and PCSO Buckley for coming out to check on parking around the school sites. It was good to see that everything was clear and that the children could leave school safely.
