Friday 2nd of July 2021

Dear Nursery Parents and Carers,

We're looking forward to introducing your children to their new Reception teacher ready for September on Monday 12th and Tuesday 13th of July and to spend some time in their new classroom. I'd like to go through the arrangements with you and provide you with further information about how we will be replacing our usual parents meeting.

Your child will be given a brief taster of life in the Reception classroom with their new teacher and experience some of the new routines such as lunchtimes that they will have in September. With that in mind, we have arranged for all the Nursery children who are moving into Reception to start at 9.00 am and finish their session at 1.30 pm on these two days. This will give the children a chance to experience a longer school day for both the Monday and the Tuesday in readiness for September.

Entering the building, dropping off and picking up

Please follow social distancing when entering the school yard at the bottom gate on Herbert Road and then make your way around to the back of the building and then queue up at the markers with your child ready to enter the building at your given time (yellow line).

Parents will not be able to come into the building with the children but rest assured, your children are in good hands and in a familiar environment.

Uniform and Lunch Time

Neath Port Talbot County Borough Council

'Motivating, Engaging, Learning, Inspiring, Nurturing'

Children should wear school uniform, as usual. Children should bring a packed lunch with them to eat during the lunchtime break.

Other Information

Many parents have asked about uniform orders for September. If you would like to order uniform, can you please contact the school office on 01639 645414 or email melinprimary@npt.school so that we can arrange for a form to be sent out to you.

An information video has been produced that will replace the traditional parents' meeting that we hold to share information about the school and the arrangements for September. The link to this video will be text out to parents. If you have any questions left unanswered after watching the video, please email or ring the school and we'll be happy to help.

Can I once again thank you all for your continued support at this difficult time and please, if you have any further questions, please get in touch ringing us on 01639 645414 or by email at melinprimary@npt.school.

Yours Sincerely,

T. Richards
Headteacher
