

# School Newsletter – Monday 12<sup>th</sup> of July 2021

I hope that the children have enjoyed their first day with their new class and their new teachers. These two transition days give the children the opportunity to settle any butterflies that they may have before the summer holidays. I hope that the children enjoy their second day tomorrow.

The Governing Body has made the decision to employ an additional teacher within the Key Stage Two site to reduce the class sizes so that every class there will be smaller, giving more teacher time to the children in the class. As the pupils have fewer years left in the school, we hope that this will help them to catch up with their learning at a faster rate.

From September, it has been confirmed that the staggered start times will not be able to continue. We've put a reminder of the new times to the right hand side. There is also further information on the school website in the 'getting ready for September' page.

We're expecting more information and guidance to be provided to us over the next few weeks which will help us make sure that we keep all the children and staff safe in September. I will write out to you to update you all ready for the start of the new academic year.

Finally, can I thank you all for your understanding and patience this year with the changes that the school has had to make to keep everyone safe. We all look forward to a return to some sense of normality where we're able to open up the school as fully and as soon as possible.

T. Richards  
Headteacher

Date	Event
14 and 15/7/21	School closed for Inset days
16/7/21	Last day of term
2 and 3/9/21	School closed for Inset days
