

YSGOL PENRHYN DEWI VA

17th December 2021

Dear Parent/Carer,

You may be aware, as it has already been publicised, that in recognition of the current levels of uncertainty regarding the impact of the Omicron variant, the first two days of the Lent term (i.e. 4th and 5th January 2022) have been designated by Welsh Government as INSET days. The purpose of these days is to prepare.

We have been asked to plan based on a 'very high' risk level. The school has already been operating on the basis of a 'high risk' level for some time. However as part of these additional mitigations we would expect pupils from years 7 to 11 to undertake LFTs **three** times a week. If your child is in one of these year groups and you have not already completed consent forms for your child to take part in the LFT testing programme, the relevant documents are available on the school website. It will continue to be important that no-one with Covid symptoms attends school and they should book a PCR test.

In addition to this, we have been asked to plan on the basis that pupils attending the Dewi Campus will be expected to wear masks in communal and classroom areas, and to re-introduce contact groups throughout the school. We look forward to welcoming all pupils back to school on Thursday 6th January 2022 and will communicate with you in greater detail on Wednesday 5th January. You will be able to contact the school on the two INSET days, should you need to speak to key members of staff.

Best wishes,

R-Thomas
