16th March 2020

Dear Parents/Carers,

Re – Coronavirus – COVID-19 – general advice for educational establishments

All schools and educational settings are being sent regular guidance from The Public Health Wales regarding the current outbreak of coronavirus. We will keep all pupils and their families fully informed of any information or advice that we receive.

Updates will be provided via our Facebook page and website. General information to help prevent the spread of all types of viruses is as follows:

- Wash hands with soap and water often.
- Pupils, staff and visitors should wash their hands:
 - Before leaving home
 - On arrival at school
 - After using the toilet
 - After breaks and sporting activities
 - Before food preparation or before eating any foods, including snacks
 - Before leaving school.
- Covering your cough or sneeze with a tissue, then throwing the tissue in a bin – **Catch it, Bin it, Kill it**
- Avoid touching your eyes, nose and mouth with unwashed hands

For the latest advice go to Public Health Wales, which is updated daily:

<https://phw.nhs.wales>

Thank you for your continued support.

Yours sincerely,

Ms M.Paish
Headteacher
