

Trengrouse Newsletter, Week 3

Hi there! Here is the home-learning for the following week in Trengrouse Class. We look forward to seeing the children's brilliant learning next Tuesday. If you have any questions about the learning below please just ask myself or Mrs Harding - spare copies of the sheet are kept in class (your child needs to collect this themselves as we are no longer handing out named copies) Alternatively, it will also be posted to our class blog on the school website.

English/Topic

Create a newspaper report using the 5 Ws
-Who? What? When? Where? Why?

Your report can be about a real event that has happened to you, or something you have heard on the news. Alternatively, you can make up your own event to write about.

Make sure you have a creative, catchy headline!

Maths

Identify the value of 5 of the underlined digits in the numbers listed below...

1891

1751

2001

1834

1453

3701

2918

3567

4190

Now, choose 5 four digit numbers from the list above and show how you can subtract or add 1000 to/from them - using images and/or place value columns will help you.
