

Trengrouse Newsletter, autumn 2, week 1; 02.11.16

Hi there! Here is the home-learning for the first week after half term. If you have any questions or queries please ask myself or Mrs Harding. Our topic has moved onto electricity so any ideas your children have when looking around and using electrical items at home will provide them with great background learning!

English/Topic

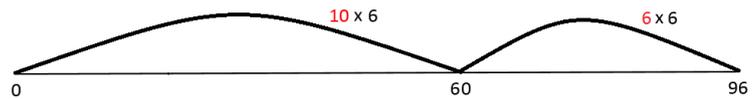

Create a **story opening** for a character involved in a power cut - use our learning in class to support your opening...Think about...

- The five senses - what can your character see, hear, feel, touch, taste? (how is it different to before the power cut?)
- How your character reacts to the power cut.

Maths

Chunking using a number line...

$$96 \div 6 = 16.$$

Have a go at using the same method to calculate the divisions below...

$$84 \div 4$$

$$96 \div 6$$

$$48 \div 2$$

$$75 \div 5$$

Extension (these may include remainders)

$$73 \div 6$$

$$87 \div 5$$

$$92 \div 3$$

Spellings: suffixes 'ation'

Nation, operation, relation, situation, translation, imagination, multiplication, organisation, ventilation, cooperation.

Spellings: challenge suffix able or ible

Possible, possibly, adorable, adorably, saleable, manageable, breakable, audible, visible, visibly.

Choose at least 5 spellings from either list and practise spelling them. Then, create up-levelled sentences for each of the chosen 5, using a variety of punctuation and sentence types.

Diary Dates/other news

- Parents meetings are next week - Monday and Thursday; appointment letters have been sent out so please reply with your preferred day/time ASAP! Thank you.
- Our DT project this term involves looking at and designing Christmas decorations - if you can spare any for us to look at we would greatly appreciate it!

Next week's debate topic 'If I could be any animal I would be a...because...'
