

Trengrouse Newsletter, 25.01.17

Hi there, here is the home-learning for the following week. Next week is our class assessment week - a chance for the children to show off their knowledge in reading, writing and maths. **The children should not worry as they have the skills to show their understanding!!**

Maths:

Our arithmetic paper will focus on mental calculations including times table facts, doubling and halving and also Place Value knowledge, so practise of these will help!

Our reasoning paper will focus on this term's topics of area, perimeter and fractions. Knowing these and practising skills in them will ensure the children are able to shine!

Mathletics and other online resources are a great starting point!

English:

Use the table below to plan and write a **balanced** argument for the following question...

Positives	Negatives

Should beaches have rules?

Spellings - homophones - practise!

- to - too - two *Can you think of any others?*
- weak - week *By the end of year 4 you are*
- there - their - they're *expected to know and spell a*
- where - wear *range of homophones - can you list*
- aloud - allowed *any more?*

Challenge; adding able endings

Change - changeable notice - noticeable
depend - dependable comfort - comfortable
understand - understandable debate - debateable

Other news...

- Thank you for the resources you have donated to our science investigation into sound muffling - if you have any other old materials you would like to donate we would be grateful!
- Assessment week is next week so the children should be ready to show off!!!

Next week's debate topic: Parking on school grounds should be chargeable.
