

Hi there, here is the home-learning for the week of The Welcome!

Maths: Use a written method to calculate the division sentences below...

(You could share out using a fraction bar or use the BUS STOP method - there may be remainders!).

1. $77 \div 5 =$

2. $104 \div 4 =$

3. $86 \div 3 =$

4. $99 \div 3 =$

5. $120 \div 2$

English/topic: Cornish Week...

Write a summary of the reasons that living in Cornwall is great - think about the things that make Cornwall special and try to include a range of sentence types, punctuation and conjunctions (connectives).

Spellings - 'igh' words

Night, sight, lighter, might, mighty, height, knight, blighted, brighter - can you think of any other words with 'igh' in them?

Challenge: - conjunctions!

However, meanwhile, despite, moreover, furthermore, nevertheless, consequently, simultaneously.

Learn the rule to help you spell the Year 4 list. Then choose 5 spellings from either list and put them into up-levelled sentences!

Other news...

- Thank you to those parents that could attend parent meetings last Wednesday -if you were unable to attend, I am happy to rearrange at your convenience.
- World book day celebration and fancy dress as your favourite character is Thursday this week!
- The Welcome is this Friday, at 2pm, and we look forward to seeing you support the children at the Inner Green!

Next week's debate topic: If you see someone cheating on a test, should you tell?
