

School Uniform Vouchers

We would like to make parents aware of a uniform voucher service that is available to all parents of children who are in receipt of free school meals or eligible for Pupil Premium funding.

We are now using a portion of our Pupil Premium funding to offer parents a £30 uniform voucher per pupil. These vouchers can be used to purchase any two items of school uniform (or equivalent) at

Keywear in Truro. If you are in receipt of income support, income based job seeker's allowance, income related employment support and allowance, child tax credits (with an annual income of no more than £16,190) then your child may be eligible for Pupil Premium Funding. If you think your child may be eligible for Pupil Premium funding / free school meals, please pop in or call the school office to fill out a short form or look on our website. Pupil Premium funding is available to children in all year groups and is in addition to the Universal Infant Free School meals which is available to all KS1 pupils. Every child who is registered as eligible for pupil premium generates valuable income for the school and this eligibility will also help you access financial assistance with various school costs such as trips, clubs and music tuition.

Perranporth Community Pool Project Update

For those of you who are new to the school this term we would like to explain a little about our pool project. The school has an old, unheated, outdoor pool and the Friends of Perranporth School have been fund raising for four years to turn this site into a heated, fully enclosed and fully adapted facility for the whole community to use. We have reached £250,000 so far and were due to start work during the summer break. Sadly, due to circumstances beyond our control the work

has been delayed...this is frustrating but unavoidable.

We are working very hard behind the scenes to ensure that the project gets back on track as soon as possible and hopefully we will all see signs of a building very soon!

Although we have our core funding in place, fund raising will be on going to ensure that the facility is run efficiently and is sustainable into the future. So why not buy or bake a cake for 50p Fridays, hold a small event or even make a small donation to the fund?

If you have any questions or would like to help with the project in any way please ask at reception or contact Bec Matthews or Jenny Salmon, who can be found at the parent waiting hut at pick up most days. We do have a Facebook page (Perranporth Community Pool Project) notices and information will be posted on there too.

Nut Free School

We now have a member of staff and pupils in school with severe nut allergies. In order to ensure all members of our school are kept safe we have decided to become a nut free school. Your kind co-operation would be greatly appreciated by ensuring your child does not bring nuts or other obvious nut products into school as part of their snack or packed lunch. We are also requesting that parents baking cakes for the Friday Cake Sale avoid using nuts in their ingredients. Thank you very much for your co-operation.

Fruit Stall in KS2

Don't forget that the Fruit Stall for Key Stage 2 children is running everyday at break time. Children are able to purchase fruit each morning at break time for just 30p per item. Our Y6 children run the stall, manage orders and purchases too (with a bit of help from Mr McGowan and Mrs Barrett). So if you'd like to buy a healthy fruity snack in the morning, make your way to the stall in the KS2 corridor at break times.
