

Bags 2 School

A huge thank you everyone who contributed towards the Bags 2 School collection this week. We were thrilled by the number of generous donations made which has raised £100 for FOPS. Thank you!

Parents Evening

Next week on Monday 13th and Tuesday 14th we are inviting parents into school to have meetings with their child's teacher to discuss how the year has started and expectations for the terms ahead. These are very important meetings for all the children, parents and teachers which is why we would like to ensure that every parent arranges a meeting. If these dates are not convenient, please contact your child's teacher who will be happy to arrange an alternative appointment. There will be no after school clubs on Monday and Tuesday afternoon.

Children in Need

Last week our School Parliament had a meeting and decided that they would very much like the school to support Children in Need Day this year on Friday 17th Nov. The children have decided that we will not be wearing school uniform on this day, but instead come into school wearing pyjamas or onesies! They have requested a £1.00 donation towards Children in Need. Thank you.

School Photographs

On Wednesday 22nd November, children will have their individual school photographs taken during the school day. If parents would like a family photo to be taken with non-school aged siblings, these will be done from 8.30am in the hall. Thank you.

What's coming Up Next Week?

Mon 13th Nov & Tue 14th Nov - Parents Meetings
Tues 14th Nov - Cross Country (Y5 & Y6), Y5 Class Assembly 2.30, parents welcome
Wed 15th Nov - Sportability at Treviglas
Fri 17th Nov - Children in Need, wear your pyjamas for £1!

Parent Readers

Parents will already know that at Perranporth School we put huge value in children reading regularly at home with their family and discussing books. Additionally, we also encourage children to be reading regularly at school too. It is very challenging to find the time and adults to enable this to happen within a busy school day. If there are any parents or grandparents who would be available to come into school to support 1 to 1 reading sessions with children we would love to hear from you. It would require a certain level of commitment from any volunteers so that teachers can plan the sessions carefully into the teaching day. This means that we ideally need people who could volunteer to come in on a particular time and day each week and be willing to read with children in different classes in the school. If you would be able to support us with reading in school, please contact the School Office. Thank you.

Seaside Saturday

Join some of Perranporth's finest online businesses for Seaside Saturday, a super sale by the sea. Following on from two successful events a collection of local businesses, and a few special guests too, are opening their doors for a super sale with a chance to shop slight seconds, end of line products and bargains. Come along on Saturday 18th November between 10 and 5, hosted by Green&Blue at Unit 1, New Road, Perranporth, TR6 0EF. Call 01872 858787 for details or search Seaside Saturday on Facebook.

The graphic features a beach scene with a blue sky, sea, and rocks. A man in a striped shirt is fishing. A blue van is parked with bottles and gifts on its roof. A heater with mugs and a bottle is in the foreground. A plaid bag and a pink shawl are also visible. The text 'SEASIDE SATURDAY' is in large white letters, with 'A SUPER SALE BY THE SEA' below it. The date and time '18TH NOV 10AM-5PM' are on the right. The address 'GREEN AND BLUE'S HQ, UNIT 1, NEW ROAD, PERRANPORTH, TR6 0DL' is at the bottom right.

Mastery of Maths

Huge thanks to those parents that came along to the maths workshop this week. It was brilliant to have your support and hopefully you all found it useful in understanding how we're teaching maths at Perranporth and how you can support your child at home with their maths learning. If you weren't able to catch the workshop but would like to know more about the changes going on in maths, please feel free to ask your child's teacher at the Parent's Meetings next week or at another time.

Thank you also for all of the brilliant responses to the daily maths challenges that Mr McGowan has been sending home through the Class Dojo. We are thrilled that our children and parents are so enthused with maths and enjoying the challenges.
