

Diamond 6s & School Parliament

This week there was lots of excitement during our Monday afternoon assembly! I'd like to think that every assembly is exciting, but this one in particular caused a lot of interest amongst the children and indeed the staff too! This is because we were sharing the news about which children had been 'voted in' as the new Diamond 6s. This is a very important position which comes with various roles and responsibilities that helps the school run more smoothly. Last week the children in Year 6 who wanted to be considered for the role, were given the opportunity to stand in front of the entire school and give a speech. Twenty children very bravely and confidently explained their reasons for wanting to be a Diamond 6 and why the rest of the school should vote for them. We were all extremely impressed by their brilliant speeches and presenting skills. It was then the job of the entire school to go back to their classrooms and make the almost impossible choices.

After the votes were counted and then checked and re-checked, we were very pleased to announce that our new Diamond 6s are; Evie, Riley, Perdi, Ruby, Sam and Kai. We also have two Deputy Diamond 6s in Mesi and Lukas. A huge well done to all, we wish you well in your new roles!

Also this week the children voted in their new class representatives to join the School Parliament. This is another very important position that helps our school understand the pupil voice and involve the children in some of the decisions that affect them. Through our School Parliament all pupils have the opportunity to raise issues, share ideas and take part in discussions that involve all of their classmates in reaching a democratic solution. Pupils at our school know that this is their school and their thoughts and ideas matter. Our new members are Thomas and Ava for Y1, Eryn and Sammy for Y2, Meg and Jack for Y3, Will and Eva for Y4, Evelyn and Charlie for Y5 and Evie and Ryan for Y6. Again, we wish them well in their new roles!

Cross Country

This week lots of children from Year 5 and Year 6 took part in the first Newquay Schools Cross Country event of the season. These are a highly competitive set of races with representation from a number of local schools. Although there were lots of 'first race nerves', we were very impressed by the effort from the Perranporth runners. Lots of high places were achieved and great determination shown throughout. A huge well done to all!

Charity Bike Ride

One of our new parents and his friend, John Hudson (Lily's dad) and Pegleg Bennett (yes that's his real name), will be taking the bold move of completing a charity bike ride from John O'Groats to Lands End. They have decided to do it on a bike with a bit of a difference... a Surrey Bike no less! (see picture).

They are raising money for two charities:

1. something that is close to all of us in Perranporth - the Handstand Appeal for Marshall Janson.
2. The Wave Project, a worthy charity that uses surfing as therapy for children.

here is the link to their Facebook page which has all the details: <https://www.facebook.com/4-wheels-3-legs-2-idiots-1-bike-JOGLE-on-1913133082053074/>

They expect to take 3 weeks, averaging 40-50 miles a day.

Your support would be hugely appreciated, every penny helps. Donations can be made through their Just Giving page <https://www.justgiving.com/fundraising/jog-le-on> and there will be a charity 'do' towards the end of October as well. Thank you for your support.
