

Cross Country Champions!

You might remember that several weeks ago, we shared the news that two of our cross country runners had made it through to the Cornwall School Games Finals. This is an event for the very best runners from across Cornwall to compete in if they were successful in the preliminary races. Ava from Y4 and Mekhi from Y5 gave great performances in their earlier races and managed to get into the finals which were held this week.

Both children made the trip to Newquay along with Mr McCallum. Obviously, being 'the final' the level of competition was exceptionally high. Both children gave simply incredible performances and represented our school brilliantly. They each came away with team medals and Ava with an individual gold! She managed to lead the Y4 girls throughout her race and crossed the line in 1st place! What a monumental achievement! A huge well done to them both, we're all very proud of you!

Mother's Day Marvels

A huge thank you to the FOPS volunteers who came up to school this week to help the children get a special gift for their Mum (or their Nan or Auntie or Step mum or Carer). The hall was a hive of Mother's Day activity with children selecting presents and writing labels for their wonderful mums. The FOPS team were fantastic in helping the children make their selections in order to give their mums an extra special day. A special thank you must go to Linda Wilson who spent a lot of time organising the event! Thanks to our dedicated FOPSters, I'm sure there's going to be lots of happy mums on Sunday!

Easter Chocolate Quiz & Colouring Competition:

Don't forget to grab a copy of the Easter Chocolate Quiz (£1) and Easter Colouring competition (50p). We've been impressed with the correct quiz entries coming in because it's very hard! Children can purchase sheets from the morning fruit stall.

Class Photos

Make sure you've brushed your hair and cleaned your face! On Wednesday next week Tempest Photography are coming in to take the class photos!

Football News

This week Perranporth took part in two different football events. On Tuesday a Y5/Y6 boys and girls team played matches against St Agnes. In both matches the action was fast and furious with lots of goals being scored by both sides. The teams gave excellent performances which ended up with the girls coming away with a 4-4 draw and the boys losing 4-8. A big well done all round!

On Wednesday a team from Y3/Y4 took part in a football festival in Newquay. The team played lots of different matches against different local schools. Perranporth's players showed both excellent sporting skills and behaviour throughout their games and came away with some brilliant results. A huge well done to the team!

Year 3 & 4 Swimming Lessons

A reminder to parents with children in Y3 and Y4 - Letters about swimming for next term have gone home with permission slips to be returned. If you did not receive one, please do pop into the School Office to grab a copy. Many thanks.

Parliament at Perranporth

On Monday this week, Perranporth invited Tomas Williams from UK Parliament into our assembly. He spoke to the children all about our country's politics and democratic processes. This was a fascinating insight into the world of parliament and how it impacts on all of our lives. The children had lots of questions and interesting points to make and all of us learnt lots about our government and how the country operates. A big thank you to Mr Williams for such an informative afternoon.
