

### Year 3 Trip

As a reward to Year 3 for finding the most litter in our most recent collection, on Wednesday this week, the children headed off to Cornwall Energy Recovery Centre! This was an amazing opportunity to find out what happens to our waste and how it is recycled, reduced and reused. The children also got to develop an understanding of recovering energy from waste too. Everybody came back full of enthusiasm and thoroughly enjoyed the experience. We'd like to say a big thank you to the parents who came along to help out and to Faye Clifton from Green and Blue for organising the event and of course SUEZ for allowing the children to visit free of charge! THANK YOU!!!!

### Parent's Meeting Day Reminder

Just an early reminder that we will be having our Parent's Meetings throughout the day on **Wednesday 26th February**. This is a non-pupil day with appointments for parents and children running from 8.30am - 5.30pm. Children are welcome and very much encouraged to come along to the meetings too. Letters will be coming home soon for families to book their appointments. Thank you.

### Keep Perranporth Tidy - School Litter Pick

Our next 'School Litter Pick Day' is scheduled for Tuesday 11th February. On this morning we are encouraging children to walk to school and collect litter on their route. There will be a prize for the class who have the most contributions of rubbish that day. We hope that this will encourage the children to think more about littering and about not just walking past, and ultimately not dropping litter themselves. There will be two bins so that recyclable litter can be correctly recycled, so please do feel free to separate whatever you find. We hope as many of you as possible will join in with this exciting event and help keep our streets litter free and inspire our children. There's lots more info on the Clean Cornwall website <http://www.cleancornwall.org/>

### FOPS Book Sale

Something to look forward to.... there will be a FOPS Book Sale on **Thursday 6th February at 2:30pm**.

### ~ This week's attendance ~

## Cross Country News

On Tuesday this week, children from Year 5 and Year 6 headed off to Newquay to compete in the Newquay Schools Cross Country race. These are always very popular and competitive events with lots of children willing to test their stamina and endurance around a gruelling course. Perranporth was well represented and had a very strong team. The children showed fantastic effort throughout their races and achieved lots of admirable placings. A mention must go to Ava in Year 5 who managed to achieve First Place! Well done Ava and all of the runners who took part!

## Animal Encounters

On Thursday this week, to help with their learning about the rainforest, the children in KS2 got to have some very exciting animal experiences. Thanks to funds raised by FOPS, animal experts 'Animal Encounters' came into school accompanied by lots of interesting and somewhat scary creatures! The children got to learn about and handle all sorts of different animals and insects that have the rainforest as their habitat. This ranged from snakes to spiders, cockroaches to millipedes. It was a simply brilliant experience from which the children learned a massive amount and will no doubt put to great use in their topic work going forwards. Thank you so much to Animal Encounters and to FOPS for such a fantastic day!
