

Welcome Back!

A warm welcome back to everyone!! We hope you all had a lovely Easter break and that you managed to make the most of the sunshine and dry weather. Thank you all for remembering to wear your face coverings at drop off and pick up times and for bearing with us as we all work through another term of Covid restricted school life!

The Summer Term has started with a bang as classes enjoyed their exciting Launch Days. There's been all sorts of learning excitement this week, from the farmers in Year 5 to the Stone Age historians in Year 3. There were Traders and Raiders in Year 4, Beachcombers in Y2 and everything in between! We even had a surprise visitor in Year 1 of the four legged and whiskered variety! Needless to say the children are all very engaged and excited by the new learning adventures this term has in store for them!

FOPS - Co-Op Fundraising

We have now received £1291.63 from the Co-Op! We still have time to raise more! If you haven't got a co-op card please get one - they give 2% back to you and 2% to your local cause.

It takes just a few moments to chose FOPS as your local cause please visit <https://www.coop.co.uk/local-causes> Let's get the most we can!

After School Clubs

Letters regarding after school clubs for this term have been sent home this week. If you have not received a letter, please ask at the School Office. Unfortunately, to keep Covid-19 compliant, we have had to restrict our clubs so that they keep the children in their 'class bubbles'. This has obviously made fewer clubs available, but hopefully it will only be temporary measure and in September we will be able to open things up more widely again.

Parking Problems

Please can we request that parents and carers make responsible choices when parking cars at drop off and pick up times. Although we fully appreciate that parking around the school is extremely limited, in the interest of children's safety, please do not park or stop on the school hazard lines or the double yellow line leading into the Park Hendrawna Estate. Lots of our children walk to school alone and find it incredibly dangerous to cross the road in between parked cars with poor visibility. There have already been several near misses, so please park responsibly and help us avoid a serious accident. Thank you for your understanding.

Bags2School

Just in case you're planning to have Spring clear out, we thought we'd let you know that our next Bags2School collection is booked for 18th May. Follow this link to find out the items that can and can't be collected: <https://bag2school.com/what-we-collect> Thank you.
