

Holidays!

Literacy for week beginning Monday 13th July

Literacy this week.

- It is nearly the end of term and I am so proud of you for all that you have done. Many of you have worked really hard on your writing at home.
- This week, you have just one task. I would like you to spend your Literacy time this week creating a travel brochure. A travel brochure gives information about what a place is like and what you can do on holiday there.
- You can choose to write a travel brochure about any country. However, the resources I will give you will be based on the UK as lots of people are taking holidays here this year. If you choose a different country then you will need to look for your own resources.
- The next slide suggests how you might want to break down this task over the whole week.

Monday

Research the UK

- Today you need to find out about the UK.
- Look at the links below. Make a thought shower or spider diagram with all the facts you learn.

The Front Cover

- Today you are going to start making your travel brochure. Take a piece of A4 paper and fold it in half to make your brochure.
- Think about a title for the brochure. It could be something like “Come to the UK” or “Why the UK is a great place for holidays”.
- Write your title in bold letters and decorate the rest of the front cover. Think about appropriate pictures. You might want to include one or two exciting facts about the UK to make people want to open your brochure and find out more.

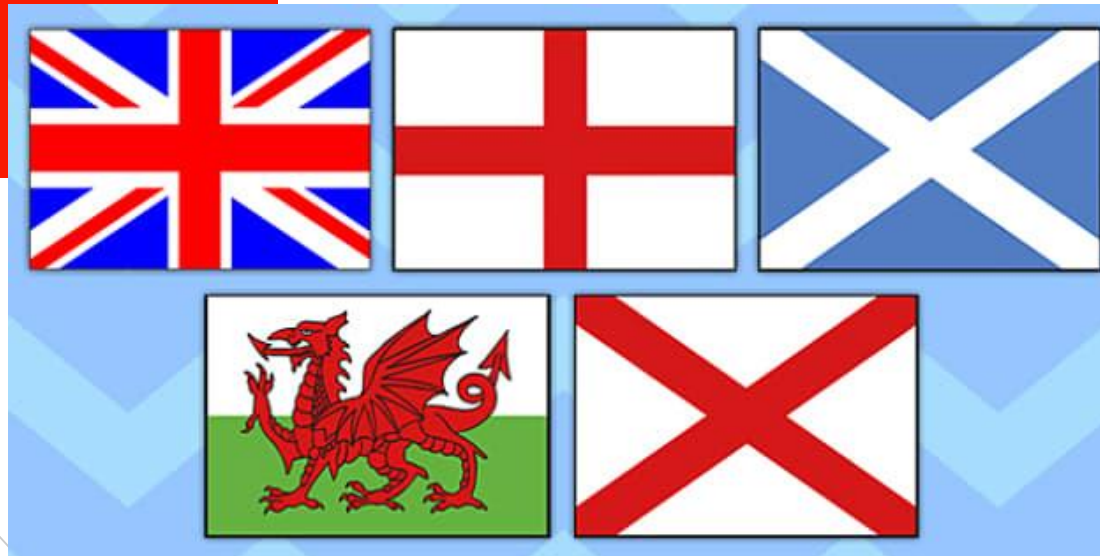

Tuesday

Wednesday

Page 2: a map

- Today you are going to make the second page of your travel brochure.
- Print-off or draw a map of the UK.
- Label the countries.
- Label the capital cities.
- Draw the flags for each country.

Page 3 : Pictures and Captions

- Today you are going to fill page 3 of your travel brochure with pictures of places to visit in the UK. You can draw the pictures or find some on the internet using Monday's links.
- Think about how you can arrange the pictures to make the page look really attractive.
- For each picture, write a caption explaining what it is. In your caption, use exciting adjectives that make the place sound like a great place to visit!
- For example: The golden sand on this beach is perfect for making multi-story sandcastles!

Thursday

Tower Bridge, England

Giant's Causeway, Northern Ireland

Loch Ness, Scotland

Friday

Back Page: Why is it great to go on holiday in the UK?

- On the last page you are going to write a paragraph explaining why it is great to come on holiday in the UK.
- Think about words and phrases you can use that might *persuade* somebody who wasn't sure that a holiday in the UK is a really great idea!
- This is the last paragraph we will write together so let's make it good! Remember to include: punctuation, adjectives, adverbs, questions, exclamation marks, conjunctions and any else you remember learning this year!

Have an
awesome
Summer!
