

Dosbarth Lleuad: Summer 2021

Dear pupils, parents and families,

I hope you are all keeping well as things slowly return to normal. It's been lovely seeing all the children return to school, keen to continue their learning journey.

Topic - Sportswear Designer

Our topic for this half term is 'Sportswear Designer'. It is very exciting as we are going to be designing a new PE kit for our children in school to wear during PE sessions from September.

We will also be researching different sports, as well as some of the countries involved in the European Football Championships.

As part of our Talk for Writing work, we will be writing a text explaining how something works.

Events

Tuesday 15th June - Sports Day

Please can the children wear the colour that they have been given for their team. Unfortunately, this year we will not be allowing parents on site to watch, however, During sports day we will be filming and taking photos to share online. **Please let us know if you would prefer your child not be included.**

School Dinners

As I am sure you are aware, the kitchen deal directly with Parent Pay with regards to booking and ordering school meals. School staff no longer take the children's orders in the morning. Therefore can you please ensure that meals for children are ordered before 8 am that day, This is the same for children who usually pay for dinners and those who have Free School Meals, they all need to be ordered through Parent Pay.

If you need any assistance, please contact either Mrs West or Miss Williams on 01554 776168.

You can also contact Parent pay directly with any booking or payment queries on 01267 246714.

Reports

Reports will be sent to parents/carers on Friday 9th July via email, with an opportunity to meet with the class teacher on Tuesday 13th July if required.

Keeping in touch

Email me – richard.knight@brynteg.ysgolccc.cymru

Or contact me directly via Class Dojo

Getting back to school (and staying in school!)

As children return to school we must limit the spread of the virus to help keep schools open. So remember:

- Only share a lift to school if you have to
- Wear a mask for drop off and collection
- Catchup over the phone - not at the school gate
- School bubbles are for school only
- Keep your child at home if they are unwell - even if you don't think it is COVID
- **There'll be time for birthday parties and sleepovers before long... but for now, thank you for everything you are doing to ensure that KS2 pupils can return to school and stay in school.**

Pupils will need:

- Suitable outdoor clothing - pupils will be outdoors around 50% of the time **(whatever the weather!)**
- A water bottle daily
- Sun cream as we have been experiencing some pretty warm weather lately.
- PE Kit on a Friday (to be worn to school)
- Please see school website / class dojo/ newsletter for more details
