Our Value this Month is Bravery

16th March 2020

Dear Parent/Carer,

COVID-19

I wish to reassure parents that we are taking whatever measures possible to ensure the health and safety of the children and staff at this school.

We are regularly being updated by the local authority and Welsh Government; this information is being forwarded to parents via our text messaging system.

To protect other children and the staff, I ask that parents follow the advice being given by Public Health Wales. If any member of your household has symptoms (even mild), then your children should not come to school. If you are worried about your symptoms or symptoms of anyone else in the house, please contact NHS Direct Wales.

We are currently opening school as per guidance but we are aware that school closure may be inevitable. Teachers are currently preparing work and remote learning tasks for the children.

Thank you for your continued support in these stressful times. I will continue to update you as and when information is received.

Yours sincerely,

A.R. Faulkner, Headteacher
