FREE SCHOOL MEALS

With regards to Free School Meal allocation to entitled pupils. There are no packed lunches provided from today. However we have managed to set up a voucher scheme with Tesco stores, but only Tesco's at the moment. I know this is not suitable for everyone as we only have 4 stores across Powys. **However we have now confirmed that we can now pay an allowance into parents' bank accounts for FSM up until the end of term.**

Therefore our Income & Awards team are working on this just now to make payments to parents where they have bank details. An online form will also be put onto the Powys website for parents to provide details or they will be contacted via phone.

The WG are arranging a National Voucher scheme for supermarkets vouchers, but we will review that when we are informed of the details.
