

P.E. Kit

Please make sure that your child has his/her P.E. kit in school every day. Thank you to those parents/children who make sure that P.E. kit is in school. **A few children do not bring kit.**

Last week, due to the high numbers of children not having PE kit, PE could not be taught in one class.

Not having PE kit causes problems because:

- **We do not have the capacity to supervise children without kit; other children should not lose out on classroom support because additional staff have to supervise the children not doing PE;**
- By law, children must have P.E. lessons;
- Borrowing kit from other children or the school is unhygienic.
Understandably, parents do not want to be washing kit when their child has not even worn it.

Children should take kits home to be washed at weekends.

PE Kit- black shorts, white tee-shirt, trainers/pumps. Children may wear a jumper and jogging bottoms in the colder months.

Children should have separate footwear for PE- footwear may get muddy and cannot be worn inside school.

PLEASE SUPPORT THE SCHOOL AND YOUR CHILD WITH THIS. Diolch yn fawr.
