

Dear Parents/Carers,

We wish to thank you for your support and understanding at this difficult time.

School will close from 3.30 p.m. on Friday 20<sup>th</sup> March. Currently, schools have been given no further information regarding the opening of some schools to facilitate the childcare for key workers. As soon as we have information about this, we will let you know.

Over the last week, the school has been working hard to prepare opportunities for children to learn at home through various e-learning programmes and work/resource packs, in readiness for this situation. These work/resource packs were sent home with pupils on Wednesday. A webpage for distance learning can be found on the school website. This will be added to as we go along.

Although the way in which schools work will change, we will remain in contact with our families through this challenging period, to ensure that every child continues to be supported as best we can. We will regularly check email for queries and support requests.
